## EXPERIENCE

### DC News Now, Washington, D.C.

June 2024 - Present: Reporter

June 2022 - June 2024: Multimedia Journalist

Founding member of newly-launched DC News Now team covering Washington, D.C., Maryland, and Northern Virginia. Pitch, report, write, and edit stories daily, often reporting live for 9 and 10 p.m. newscasts. Research and pitch enterprise stories, including coverage of policing and crime, education, transportation, and local government. Report on major breaking news across the DMV, including a series of stories on the deadly midair collision at DCA.

### WVIR-TV, Charlottesville, Va. — *Multimedia Journalist*

June 2020 - June 2022

Lead nightside reporter for the top-rated TV news station in Central Virginia. Award-nominated coverage includes continuous reporting on city government, including issues within the police department and the removal of the city's Confederate statues. Fill-in anchor for 11 p.m. newscast. Also general assignment reporter covering the COVID-19 pandemic, business, and feature stories.

### WUSA-TV, Washington, D.C. — *Special Assignment Unit Intern*

January 2020 - March 2020

Assisted reporters in the field with daily and long-form stories. Researched stories for investigative team on topics including public housing renovations and military suicide. Wrote digital bios for 2020 presidential candidates and digital stories about COVID-19 in D.C. area.

## EDUCATION
